FIELD REPORTS UPDATE!!!!

Dear Friends,

September and October have been very busy months for EPI! People often ask us when we are making our next trip? I find myself often reminding folks that we have church planters, indigenous pastors, that are busy working every week of the year speaking in schools, showing the Jesus Film, planting churches, training pastors and church leaders, as well as, pastoring their own flocks! These men are the heartbeat of the EPI ministry! Our GOAL is train indigenous church planters to carry on the ministry of EPI and provide them the resources to carry out the MISSION that God has entrusted us with! YOU ARE AN EXTENSION OF THIS MISSION!!! These faithful "Men of God" will carry out the ministry of EPI whether we are there with them or not. There may come a day when the world situation may prohibit us from traveling to Zambia but by God's Grace these faithful stewards will carry on! Please take time to read the following field reports from several of our church planters.

FIELD REPORT-Sept. 4th- Marlon Zulu- Mbala Northern Zambia.

The report which from Mbala Northern Zamba.

This report is for August 2013,

1. Number of Crusades conducted 3.
2. Number of people attended the crusades 4200.
3. Name of the Village in which crusades were conducted Chozi
4. Salvations 2100.
5. Condition of the Jesus film equipment very good.

The pastor in charge ,Pastor Peter Simfukwe said they are looking foward to starting school ministries when the schools open in September 2013. I advised Pastor Simfukwe to plant a church in Chozi this month because many were saved.

FIELD REPORT-Sept. 8th- Iwell Phiri-Testimony of Headman Chizalira.

Chief Chizalira is married to one wife. He has been a chief more than 35 years. He was a bad man practicing witchcraft magic, charms, idols. Etc, but God touched this man during the Jesus Film show through the preaching. He was baptized on September 1,2013. Before his baptism he called his wife and children to come and hear the Good News. They too received the Lord Jesus and were baptized. The headman is a faithful member of the church church in Nazareti. Pray for this family to grow and mature in the Lord.

With many thanks!.....Pastor Iwell Phiri

The project was very Good you can see my report below.

1. I conducted 4 Jesus film Crusades.
2. Number of people attended the crusade 4500.
3. Number of the people saved 2600.
4. I preached 8 times.
5. THEME OF THE PROJECT.... PREPARATION FOR THE COMING OF JESUS CHRIST.
6. One church was planted and I handed it over to Kasisi Baptist.
7. Number of people waiting for water baptism 80.

Thanks very much for your prayer support, without your prayers this project was a none starter ,but through your prayers we can celebrate together as partners for the great commission of our Lord Jesus Christ.

GOAL REACHED.... \$7500

The EPI Yard Sale, October 10-12, was a success Thanks to so many of Your!!!!!!!!!!!!

With the donated items, the steady stream of helpers, and those God sent our way to be blessed by your generosity, every part of the yard sale echoed Praise to the Lord. The land negotiations are under way. The pastor and Livingstone Baptist Church are so excited to be in partnership with you through EPI. Together we will see this church planted, growing and with a new building to house their growth in less than a year. Thank you for giving to the Lord...you bless us and the people of the Livingstone Baptist Church. (By the way, this is the area in which David Livingstone first set up a mission and in the same area in which his wife Mary died of 'river fever'.)

EPI June 2014 Livingstone, Zambia Project

The plans are now underway for the June project. God has some exciting things in store for this project, including a building for Livingstone Baptist Church. Many of you have indicated interest in going with us. If you still feel God is leading you to be a part of this project, please let us know ASAP so we can be praying with you. We see Gods handprints all over this and know He will lead just the right people to be a part of His church planting process.
