GOSPEL OF THE KINGDOM MUST BE PREACHED

“And this gospel of the kingdom must be preached in all the world for a witness unto all nations; and then the end will come” Matthew 24:14.

Dear Friends,

As we near the end of the SIXTH Millennium (assuming that Christ was born in about 30 A.D.) and if indeed the SEVENTH Millennium is the 1000 year reign of Christ...could it be...that we only have about 8 years until the beginning of the tribulation? Certainly I am aware, as are you, that according to God’s word...”no man knows the day or the hour of His return” HOWEVER, Jesus also said in Matthew 24:32-33 “Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, know that summer is near: So likewise when you see all these things, know that the end is near, even at the door.”

THE END IS NEAR...EVEN AT THE DOOR! The Gospel will be PUBLISHED in all the earth and the EXCITING technology that will make this possible has already been developed and is being used NOW! Go to RENEW OUTREACH.COM. See the equipment that EPI will soon be using and watch the EXCITING VIDEOS that will thrill your heart! God has ASSIGNED the ministry of EPI a very important part of HIS FIELD.....Eastern Zambia and Western Mozambique. Our commitment is to REACH EVERY UNREACHED VILLAGE in our assigned part of God’s FIELD. We are committing to expanding our ministry from ONE Jesus Film Team to THREE Jesus Film teams in 2015. Each additional team will be traveling to the REMOTE areas using a motorcycle and the solar powered Jesus Film Equipment which fits into a BACKPACK! We hope to do four to six additional 8 week ministry outreaches in 2015. Please pray for God’s provision as each team will need the following items:

- Solar Powered backpack system.....\$3725
- Motorcycle (LG 250 cc dirt bike).....\$2000
- Camping gear (tent and sleeping bag).....\$500
- Food and Gasoline for 8 weeks of ministry....\$2800
- Bible School training one year (3 trimesters)...\$360

FAITH COMES BY HEARING

When we come to the end of one year and begin a new one, we are always so surprised and amazed that God has allowed us to be a part of His great work both at home and overseas. We are grateful to Him for His abundant supply through you, His people. So, as we approach each month we say, "God this is Your ministry. You know the expectations you have and the plans for how it is to be accomplished. We are only stewards of what you have assigned to us. We want to fulfill "ALL" that You have planned so we are trusting You to put it on the hearts of Your people to desire to be a part of something bigger than themselves and a part of Your work in the World. It ALL belongs to you, so with our hands open, and our hearts ready to do whatever You instruct, we wait expectantly for Your provision." Now, the most exciting part of all of this is that not one project has been left undone. God has used all kinds of gifts big, small, monthly, or once a year...because He is the owner of it all. He takes His provision and does His math and it is always just the right amount.

Some of you may have read our January newsletter and caught it, but in case you didn't I wanted to bring it to your attention again. Since the conception of this ministry in 2010 **over 600,000 people have made decisions for Christ**. Now the next phase of the ministry is to develop a more thorough follow-up and discipleship program. Although churches have been established in 63 villages that did not have an evangelical presence in the area, there is still a great need for training. We face two big challenges when working with new believers: 1) many are either illiterate or read at a low level, and 2) the cost of providing Bibles in the local language is expensive. Will you help us place an Audio Bible (200 people can listen in their heart language) in each newly planted church (\$57 each)? God has made a way for the Gospel to be published in all the World through the new technologies which have been developed and are being used NOW! With cell phones in over 85% of the country the Light Stream equipment (\$740) is able to download biblical content onto cell phones. This content can be transmitted from cell phone to cell phone through Bluetooth or WiFi technology that operates without internet access (go to Renew Outreach. com for more information). The solar powered Jesus Film equipment will be a part of this mobile ministry. By adding additional Jesus Film mobile teams, it will free Iwell up to train current pastors, develop school programs, and establish a much needed prison ministry. His responsibilities are vast, his vision is even bigger and he is only one man. Consider how many it takes to disciple and train our people right here at home. It is no small task to be on Mission for the Lord. Iwell has identified four men whom God has raised up to assist him in giving leadership to the EPI ministry. These four men have been working closely with Iwell the past two years and will give leadership to our new mobile ministry. They have made a commitment to complete their three year Bible School training through an extension program of the Baptist Seminary in Lusaka. Seemingly very affordable by our standards (\$360 per year), for them to raise this amount of money on their own would be impossible. Perhaps God would have you be the instrument to provide this funding for one man for one year.

Our current needs are listed on the first page of this newsletter. Is God calling you to be a monthly supporter? We have one retired woman on a fixed income who gives ten dollars every month. Now ten dollars doesn't seem like a lot to you but to her that is a sacrificial gift. We have made it convenient for you. You can go to evangelismpartners.org and click the donate button if you prefer to give on-line.
