

HAPPY NEW YEAR 2016

Dear Friends,

We have decided to continue into the New Year with the shorter format for the newsletter. Our goal is to keep you up to date on what is going in the ministry with a minimal impact on your time. The following are some of the highlights for December.

Three more churches were planted in December (see below). All 100 churches are listed on our website. We want to encourage you to take 10 churches and pray throughout 2016 for the churches and deacon/pastors by name.

The following is a summary of their combined efforts for the months of November and December.

4TH MISSIONARY TO BE PLANTED IN JANUARY 2016

Our four missionaries are listed below. Please pray for these men and their families during 2016. These missionaries are leaving their homes, fields, and extended families behind in SINDA to re-locate to the various districts of the Eastern Province. When Sharon and I interviewed these three men and their wives back in October, one of the questions we asked each of them was this: WHY ARE YOU WILLING TO LEAVE YOUR HOMES AND GO TO A NEW LAND? Every one of them answered exactly the same...because of the GREAT COMMISSION in Matthew 28. These interviews were done privately...one by one.
