*"Behold a sower went out to sow. As he sowed, some seed fell by the wayside... some fell on stony ground... some fell among the thorns... but others fell on good ground and yielded a crop: some a hundredfold, some sixty and some thirty." Matthew 13: 3-8*

### **DO YOU REMEMBER THE NAME OF THE PERSON WHO SHARED THE GOSPEL WITH YOU?**

Dear Friends,

If you are a born again person, someone shared the gospel message with you. Romans 10:17 reminds us that **"Faith comes by hearing and hearing by the word of God"**. More people are being saved in the world today than ever before in history and more people are being saved in Africa than on any continent of the world. I think there are two reasons for this fact. First, there is an incredible respect for God, even among the un-believers in Africa that you do not see in other parts of the world, especially among the western world. Second, because of the prolific evangelization of Africa, first started by David Livingston, the prophetic words of Livingston have indeed come true.

***"I feel sometimes as if I am only the first evangelist to attack central Africa, 'crying in the wilderness,' and other evangelists will shortly follow. After those, there will come a thousand evangelists...The evangelists of the gospel will follow."*** David Livingston

As the signs of the last days loom on the horizon, could it be that we are among the last of these thousand evangelist? **WILL YOU HELP US?** We have **SIX** missionary families poised and ready to be planted...3 in Zambia and 3 in Mozambique. The incredible openness to the gospel suggests that the ground is prepared for a great end time harvest. **WILL YOU HELP US SOW THE SEED?** We now have four missionary families on the field (8 missionaries) who are sowing the seed every week of the year. We do not have the March report yet, however for February the gospel was preached to **25,647** people with **15,570** indicating a desire to receive Christ. **THE SEED BORE FRUIT.**
