Volume 77

March 2017

"How shall they CALL upon the one in whom they have not believed, how shall they BELIEVE upon the one in whom they have not heard, how shall they HEAR without a preacher, and how shall they PREACH unless they are SENT? As it is written, how beautiful are the feet of those who preach the gospel." Romans 10:14-15

Dear Friends,

As I sit staring at the WORLD MAP on the wall of my office, I am overwhelmed by the **CRY OF THE LOST SOULS!** The vast majority are **UNPREPARED TO MEET GOD WHEN THEY DIE.** Mark 8:36 is running through my mind... *"What does it profit a man if he gains the whole world and loses his own soul?"* Before Jesus ascended back to heaven He left us with these final words... *"Ye shall receive POWER after the Holy Ghost comes upon you and you shall be WITNESSES UNTO ME in Jerusalem, Judea, Samaria, and the uttermost parts of the earth."* Acts 1:8. The **UTTERMOST** is ever believers responsibility. WE **MUST EITHER GO or SEND!**

GOD RAISED UP EPI TO BE A MISSIONARY SENDING MINISTRY

As I continue looking at my world map, I see **THREE GREEN PINS** and **FIVE RED PINS.** The 3 green pins are placed where EPI is sharing the gospel today... **ZAMBIA, MOZAMBIQUE** and **PAKISTAN.** The 5 red pins are placed in countries where we have received **INQUIRIES** from pastors and evangelists who want to **PARTNER WITH EPI** so they can be **WITNESSES UNTO HIM.** The problem is this, they have **LIMITED RESOURCES TO DO THE WORK GOD HAS CALLED THEM TO DO** (in some cases they have no resources). The following are testimonies from men that we are currently having ongoing discussions with.

WILL YOU PRAY ABOUT SENDING ONE OF THESE MEN IN YOUR PLACE?

MYANMAR - *"The majority of the people are farmers and mountain farm workers...strong Asha and Burmese Buddhists. Rarely do they hear about Jesus and the gospel. Our target areas are both plain, hill, and mountain villages...remote areas that have not been exposed to the gospel. Most villages have no electricity, proper transportation or even basic educational facilities. The Jesus Film in a backpack will enable us to reach these forgotten people."* Servants in Christ...**Rev. Ngun Zam & Evangelist James Lain.**

MYANMAR - *"I am Dal Kan Khual and I live Myanmar. I have a burden for my people because most of Myanmar is still influenced by Buddhism. My purpose is to preach the gospel, teach the Bible and train young people for God. I am certain that I can carry the gospel to many unreached villages using the Jesus Film Backpack. Therefore I humbly and honestly request to partner with EPI."*

SOUTHERN INDIA - *This is Pastor David Livingston serving the Lord in the rural part of southern India among HINDU villages with a vision to bring people from the darkness to the light of JESUS CHRIST. There are 165 villages within a 100 KM CIRCLE from my home. And all these people live in darkness and worship idols. Please come and help us reach them with the Living Word and the true gospel! PEOPLE ARE PERISHING EVERYDAY WITHOUT HEARING THE TRUTH.!*

EPI HAS PLANTED 16 INDIGENOUS MISSIONARIES IN ZAMBIA, MOZAMBIQUES, AND PAKISTAN

Please continue to **PRAY** for our **EIGHT** missionary couples. Our newest missionary couple was planted this month in the **NYIMBA DISTRICT** of the Eastern Province of Zambia. **KALENGO AND MAUREEN LUNGU** will be showing the **JESUS FILM, PLANTING CHURCHES,** and sharing the **GOSPEL IN SCHOOLS.** The schools are very **OPEN** to having the missionaries come and will usually bring **ALL** the students and teachers to an outside **ASSEMBLY.** After sharing the gospel an invitation is given, allowing students and teachers to respond. In most cases the missionaries are then allowed to form a **SCRIPTURE UNION CLASS.** The class will meet after school hours for **discipleship** training.
